**PROCUEURES for COMPLAINTS RELATED to the ACPE STANDARDS**

The American Council for Pharmacy Education® (ACPE) accredits professional programs in pharmacy. The UMKC Doctor of Pharmacy program is accredited by ACPE. UMKC School of Pharmacy faculty and staff continually review the Pharm.D. program in order to ensure it meets the standards, policies and procedures as established by ACPE. Current APCE standards are available at <https://www.acpe-accredit.org/deans/standards.asp>. ACPE is obligated to ensure that any accredited institution conducts its affairs with “honesty and frankness”. To that end, faculty, staff, students, other institutions or the public can file a complaint related to UMKC’s compliance with ACPE’s standards, policies and procedures directly to ACPE using the procedures outlined at <https://www.acpe-accredit.org/deans/complaints.asp>.
