

## **REMEDIATION POLICY for UMKC School of Pharmacy Doctor of Pharmacy Program**

This remediation policy addresses didactic course-specific remediation.

### **Remediation Policy:**

- A. Remediation is a privilege. Considerations for eligibility include (but are not limited to) the following: The student must have demonstrated regular attendance, completed assigned coursework, communicated with the instructor and/or course coordinator, and utilized other available academic resources throughout the semester in an attempt to meet the course learning outcomes and avoid a failing grade. The course coordinator has the right to deny the student the option of remediation.
- B. If a student earns a non-progressing grade and has been granted permission to remediate, a course grade of “Incomplete” (“I”) will be given.
- C. Course remediation will be determined by the course coordinator and completed within 4 weeks following the end of the semester.
- D. No grade higher than a “C” can be earned in the course with remediation. If the student fails remediation, the original course grade will take the place of the “I” grade.
- E. Students will be allowed to remediate no more than three (3) times during years 1 through 3 of the professional degree program with no more than 2 courses remediated in the same semester.
