

Entering First Year Pharm.D. Class - Fall 2024

In order to receive financial aid at UMKC, you are required to file the Free Application for Federal Student Aid (FAFSA) each year which will be available at the end of the year. Most students will be able to apply online, but if you have reasons for needing another filing method, please visit the Financial Aid and Scholarships Office. Please submit your FAFSA in sufficient time for processing and awarding. Failure to do so can result in your classes being cancelled or being required to make a significant minimum payment.

To Apply:

- Create a [FSA ID](#) with the Department of Education. The student and at least one parent (if required to provide parental data) will need an FSA ID to sign the FAFSA, as well as to make corrections and access other Department of Education resources. If you have previously created an FSA ID, you can skip this step.
- Apply at <https://studentaid.gov/h/apply-for-aid/fafsa>. Click on “Start Here” if you are a new filer or “Log In” if you have filed a FAFSA previously. Follow the prompts inputting the appropriate information. You will sign your application electronically using your FSA ID. If parent data is included, then a parent will sign with their FSA ID.
- UMKC’s School Code is 002518. Make sure to list your housing plans.
- UMKC’s priority deadline for submission is February 1st, but you can complete the FAFSA even after that date.
