

Pharmacy students must review the "Pharmacy Elective Policies & Procedures" document before choosing electives.

Pharmacy Elective Polices and Procedures

Below you will find a list of MU coursework. Please check all course descriptions for required prerequisites prior to enrollment. Courses may not be offered every semester. Please check **myZOU**, for information regarding availability, level requirements and restrictions. Potential Elective Options Outside of the UMKC School of Pharmacy - Any UMKC, MSU, and MU class outside of the required Pharm.D. curriculum may count towards the elective requirement with prior approval. Transcripts will be required from MU to prove successful summer course completion. This list is not exhaustive and should only be used as a tool to begin to explore elective options. Students wishing to complete electives outside of the Pharmacy departmental offerings MUST complete and submit the following request form (https://umkc.co1.qualtrics.com/jfe/form/SV_8CC5Ar25WcWGOYC) and receive approval. Electives completed outside of the Pharmacy School will not count towards the 8.0 credit hours of electives without prior approval. **QUESTIONS - Contact Pharmacy Student Affairs - pharmacy@umkc.edu**
