Questionnaire to create PeopleSoft Pages for Proposals

Principal Investigator (PI) Name:

eRACommons **UserID:**
(If applicable to submission)

Department/Unit:

Co-PI Name:

Project Title:

Sponsor:

Prime Sponsor:

(Federal flow-through or if UMKC is subaward)

Does Sponsor limit F&A/indirect costs? List the allowed % **:**

Submission due date: **Grant begin date:**   **Grant end date:**

Project Classification:

Grant Department ID:

Submission Type:

Certifications:

Human Subjects: Animals: Hazardous materials: Other:

Is this a multi UM campus project?

If yes, what other campus is involved:

Is this project related to a University license or assigned patent?

Will this project produce discoveries or inventions that may result in a patent?

Is the PI requesting extra compensation?

Will space that does not currently exist be required?

Will any sponsor proprietary information be provided by the sponsor in support of the scope of work?

Are you requesting release time?

Is this related to a previous proposal?

If yes, provide proposal number:

Does this project require computing, data storage, or data networking capabilities exceeding those of routine desktop computing?

Is this a graduate student submission?

Does this involve the use of human embryonic stem cells?

Does the sponsor require foreign national approval or stipulate that no foreign nationals be allowed to work on the project?

Does this project involve travel to or shipping of materials/specimens to destinations outside the U.S.?
Places:

Does the project involve any entity (sponsor collaborators, consultants, suppliers, etc.) outside the U.S.?
Entity(ies):

Is this award transferring in from another institution?

Is there cost-sharing (in-kind or matching on this proposal?

Cost-share type:

Are indirect costs (F&A) limited by the sponsor?

Rate allowed:

Number of co-PI's

Number of other personnel with a Percentage Effort in this project

Name (Last, First)	Effort %	Role in project	Shared Credit %

This 'other personnel' includes faculty, post-doctoral researchers, and research assistants (but not graduate students) who are currently employed at UMKC and who are anticipated to contribute a percentage of their effort to this project, when funded.

Project Abstract or Scope of Work:

Please provide at least 3 keywords for this project:

** Please provide your solicitation as well as your budget upon completing this form**
