 - In September 2008, planning for the inaugural public wellness fair was initiated after presentation to the Deans of the Schools of Medicine, Pharmacy, Nursing, and Dentistry to combine efforts for this event to be held April 4, 2009. The events committee resulted in coordination of efforts between representatives of the four schools to create over 25 education and screening booths to deliver health care information and services. This event served as a juncture by being the finale for the community efforts by Carondelet Health Network's annual "Cover the Uninsured" week of activities as well as serving as the starting point of the Kansas City Health Department's "Public Health Awareness Week". Blue Cross/Blue Shield of Kansas City provided a \$10,000 grant to assist in the needs of the fair. Over 400 students, faculty, alumni & area provider volunteers estimated to have served approximately 1200 patients in the UMKC Health Sciences/Hospital Hill neighborhood.
