Pharmacy Practice Residency

Truman Medical Center
Pharmacy Department
2301 Holmes Street
Kansas City, Missouri 64108

Program Director: Tony Huke, Pharm.D.
Office 816-404-4189
Fax 816-404-4199
E-mail: michael.huke@tmcmed.org

Program Details: 12 month residency
3 positions
Starting date: July 1, 2011
Estimate stipend: $40,000
Interview required

Program Purpose Statement: Pharmacists completing this residency will be competent and confident pharmacy practitioners of direct patient care in various environments. They will be able to provide drug information to any health care team, possess independent leadership skills, teaching skills and communicate well in personal and group settings. They will demonstrate professional and personal maturity by following a philosophy of professional practice, monitoring their own performance, exhibiting a commitment to the profession, and exercising leadership in improving the safety of the medication use system.

Facility details: Truman Medical Center is affiliated with the UMKC Schools of Medicine, Nursing, Pharmacy and Allied Health. TMC Corporation is a three-facility campus with a level one-trauma center and 550 inpatient beds.

Program details: The twelve-month residency is designed to develop clinicians that practice independently and excel in clinical services, teaching and potentially research. The program provides rotations in a variety of settings with key areas of emphasis: internal medicine, critical care and metabolic support. The resident will participate in the following rotations: adult internal medicine, metabolic support, critical care, surgery, infectious disease, cardiology, nephrology, administration/pharmacoconomics, ambulatory care, and drug information. Elective rotations include emergency medicine, pediatric/neonatal care, psycho-pharmacy, and geriatrics.

Benefits: Insurance (medical, dental), sick leave, vacation, travel allowance.

Requirements: Letter of interest, college transcript, Missouri license (or eligible), resume (CV), 3 letters of reference. Application Deadline is January 15th, 2010.
