What is considered a pharmacy elective?

Courses completed outside of the required Pharm.D. curriculum since your first Pharm.D. semester.

How many hours are required & when must these be completed?

Eight credit hours are required before the start of APPEs (Advanced Pharmacy Practice Experiences).

What about courses taken outside of the UMKC campus site?

These courses will accrue towards your eight hours as long as an official transcript is sent.

Send official MU and MSU transcripts to:
